# These are the languages our agent speaks.

**80+ languages**

Sona8 holds every interview in the language a person speaks best. From Afrikaans to Yoruba, our agent asks, listens and understands, so no one's knowledge gets lost in translation.

OUR COMMITMENT

## Accessible by design

We are a deeply inclusive company, and we are committed to making every one of our agents accessible to everyone.

Sona8 interviews happen by voice. People who cannot write, or who find writing hard, can take part just as fully as everyone else. Nobody has to type a word to be heard.
